

Student in Business Day 2011

"Connecting Students To Their Future"

A community event hosted by the Fountain Valley Chamber of Commerce Education Committee

Wednesday, April 13, 2011 - 7:15am-12:00pm
At Euromasters Classic Cars

18370 Pacific Street, Fountain Valley, (Where Ellis & Euclid Meet by the 405 Fwy)

Selected high school seniors from Fountain Valley High School, Los Amigos High School, and Valley Vista High School receive multiple opportunities to interact with professional business men and women. In addition, the event creates a positive educational experience for aspiring youth in pursuit of a chosen career choice, as well as motivation and inspiration for those students who may be undecided about their future in the work force.

The **Student in Business Day 2011** event exposes these future professionals to our business community and enables community leaders to take part in helping students discover where they may best fit into the business world. Each student is paired with a mentor in the profession of their career choice where they have the opportunity to evaluate and explore further the different aspects of the profession they are considering.

Education is essential to the economic health and welfare of the community, and the business sector's support of students is vital in serving the best interests of our community. In order to offer this opportunity to students, naturally this event requires funding and participation from the business community.

The Fountain Valley Chamber of Commerce Education Committee is asking for your participation and support of this worthwhile event. For more information on how you may contribute and or participate to the **Student in Business Day 2011** event, please review the enclosed sponsorship and mentoring commitment form on the back of this flyer or **call Franck Bideau @ 714-615-7883**.
